

What can Freedom Seminar do for Me?

"... Freedom Seminar was the best thing I've ever done for myself! It helped me overcome anger issues in my life that had existed for many generations as well as teaching me 'tools' for dealing with life situations in general. And on top of that...it saved our marriage!!! One day not long after my husband and I had completed Roots and Wings we were sharing a humorous moment, not noticing that our son was watching. When we looked up he was smiling and said, "It's been a long time since I've seen you two like that...whatever Freedom Seminar did for you I want some of it!"
